

Lower Lakes Female Hockey League Update

IMPORTANT DATES TO REMEMBER

September 21 – Deadline to add teams to LLFHL for this year.

October 1 – Deadline to have team categorized. Categorization for team with LLFHL must match team categorization with OWHA.

September 21 – Deadline for any team or association to 'opt-out' of playing games outside of Ontario. The 'opt-out' process is explained further in the LLFHL rules and regulations.

IT Sports

This year the LLFHL is moving to a new software system call IT Sports to manage the league. They are still running tests on the system and below is their estimated schedule for the next couple of weeks.

Week of Sept. 13 – IT Sports implementation committee will populate the system with rosters. They will begin to synchronize the teams and divisions.

Week of Sept. 20 – Implementation team will test set-up for team manager access. We will be contacted for a list of all team manager information.

Week of Sept. 28 – Fine tune any issues.

Oct. 4 – Scheduling meeting and IT Sports training in Toronto. Team Managers will receive login ID and password at the training session. The login ID and password for each team manager may be available earlier than Oct.4 but that will depend on progress during the next couple of weeks.

****Nich Krotz – LLFHL Rep will keep coaches update****
